

## Orphan Well Map Acknowledgments:

The primary authors of this updated map (Adam Peltz of Environmental Defense Fund and Dr. Mary Kang and Jade Boutot of McGill University) would like to thank the following people for their essential contributions:

- Alan Bucknam of Notchcode and Nick Trotter of Nick Trotter Maps for map design
- Nick Miner and team at Arc Initiatives for project management and communications
- IOGCC staff and state oil and gas regulators across the country for data and landscape analysis
