IN-HOUSE REMAN DETROIT 60 SERIES (FACTORY REMAN AVAILABLE)

For those of you who would prefer a reman Detroit 60 Series engine direct from Detroit Diesel, we offer that as well as our in house reman option. The Series 60 provides the perfect balance of power and fuel economy for heavy-duty applications. The warranty on the factory reman is slightly different and the Fitzgerald in house warranty upgrades do not apply. Please contact us to learn more.

 3 Year Warranty

 5 Year Warranty

 Owners Manual

FACTORY REMAN CUMMINS N14

The Cummins N14 is a 525 HP pre emission engine that has a little more power than the Detroit if that is what you are after. The warranty for this engine is 3 years and 300,000 miles through Cummins and you can learn more about it below.

 Warranty Information

FACTORY REMAN CATERPILLAR C15

The Caterpillar C15 single turbo pre emissions engine is a trusted engine amongst many in the trucking community. A 4 year unlimited mile warranty comes with every one of these sold through Fitzgerald. Learn more about the warranty below.

 [Warranty Information](#)

CUMMINS ISX

The Cummins ISX is the latest edition to our engine lineup. It is packing 600HP with 2050TQ and comes with a 3 year 300k mile warranty direct from Cummins.

 [Warranty Information](#)

Fitzgerald Glider Kits offers one of the best warranties on the road today, period! With our optional 5 Year/500k Mile Warranty available on our in house Detroit engines, rest assured we're riding along with you on the road.

Every™ Coverage.

North American Truck Coverages
For 2017 X15™ And ISX12 Engines.

North American Heavy-Duty Truck Coverages.

Cummins Heavy-Duty Base Engine Warranty coverage for the X15 Efficiency Series, X15 Performance Series and ISX12 is better and more comprehensive than ever.

From the block casting to the injectors, virtually everything is covered for 2 years/250,000 miles (402,336 km), whichever comes first. That includes the aftertreatment system.

Plus, we continue to offer a variety of comprehensive extended coverage plans on all Cummins Heavy-Duty engines, for added security. These protection plans provide financial peace of mind, insuring you against unforeseen expenses for years to come. And they can be included in the financing of your new truck for just dollars a day.

Cummins Extended Coverage plans are honored at all authorized Cummins service locations, and backed by Cummins Care. No matter where your business takes you, you've always got a Cummins-authorized service facility nearby, with over 3,500 locations in North America. So you can be assured that every contingency is covered.

X15 And ISX12 Base Warranty.

There's no greater assurance of quality. A product's warranty is ironclad proof that you can take to the bank, especially when it's a 2-year/250,000-mile (402,336 km) warranty on a Cummins Heavy-Duty X15 or ISX12 engine. Virtually everything is included in this standard warranty – 100 percent parts and labor, travel or towing – all with no deductible:

- 100 percent parts and labor on warrantable failures*
- Travel or towing when an engine is disabled by a warrantable failure
- Includes aftertreatment

*Warrantable failures are those due to defects in Cummins material or factory workmanship. Refer to legal bulletins for specific details.

X15 And ISX12 Extended Coverage Plans.

Protection Plan 1

You can plan your maintenance and repair budgets with confidence when you've got extended coverage for your Heavy-Duty engines. Protection Plan 1 is our most comprehensive package, including the turbocharger, water pump, fuel injectors, air compressor and fuel pump for a variety of year and mileage options ranging from 3 to 5 years and 100,000 to 500,000 miles (160,934-804,672 km) for the X15 Performance Series and ISX12, and from 3 to 6 years and 100,000 to 600,000 miles (160,934-965,606 km) for the X15 Efficiency Series. Mileage range may vary by engine and length of coverage. Contact your local distributor or dealer for duration details to choose the plan that best meets your equipment trade cycle and financial goals.

Items covered under Protection Plan 1 include:

- Internal components and major engine systems, including the turbocharger, water pump and fuel injectors* and – new for EPA/GHG 2017 – the flywheel, wiring harnesses, front gear housing and thermostat
- Registered parts and labor on covered failures
- Travel or towing when an engine is disabled by a warrantable failure is covered when you purchase Plan 1 coverage with the travel option

*Does not include hydrocarbon doser injector.

Protection Plan 2

Provides you with coverage against major repair expenses down the road, no matter where those roads take you. Options range from 3 to 7 years and 250,000 to 500,000 miles (402,336-804,672 km). Mileage range options may vary by engine and length of coverage. Contact your local distributor for details on your specific engine.

Items covered under Protection Plan 2 include:

- Internal components and major engine systems, including the water pump, which is new for EPA/GHG 2017
- Registered parts and labor on covered failures
- Travel or towing when an engine is disabled by a warrantable failure is covered when you purchase Plan 2 coverage with the travel option

Aftertreatment Extended Coverage*

Extended coverage is also available for your Single Module™ or Cummins Aftertreatment System. Options range from 3 to 5 years and 100,000 to 500,000 miles (160,934-804,672 km). Mileage range options may vary by engine and length of coverage. Contact your local distributor for details on your specific engine.

The coverage includes Cummins-supplied aftertreatment components, including:

- Diesel Oxidation Catalyst (DOC), Diesel Particulate Filter (DPF) and SCR assemblies
- Hydrocarbon dosing system
- Diesel Exhaust Fluid (DEF) dosing system
- Ammonia sensor

*Protection Plan 1 EPA 2017 of equal duration is required prior to the purchase of the Aftertreatment Extended Coverage.

Major Components Coverage.

Cummins Major Components Coverage is the most important travel insurance you can buy, as it protects you against unexpected expenses stemming from issues involving major repairs. Advance planning with Major Components Coverage provides additional peace of mind, with options ranging from 5 to 7 years and 500,000 to 700,000 miles (804,672-1,126,541 km). Mileage range options may vary by engine and length of coverage. Contact your local distributor for details on your specific engine.

Major Components Coverage includes:

- Registered parts and labor on covered failures, including the water pump, which is new for EPA/GHG 2017
- Major castings and forgings

2017 X15 And ISX12 Extended Coverage Terms*

*Terms and conditions are subject to change. Mileage range options may vary by engine and length of coverage.

**Protection Plan 1 EPA 2017 of equal duration is required prior to the purchase of the Aftertreatment Extended Coverage.

Leave Every Detail To Us.

For complete coverage details, including pricing, contact your local Cummins distributor or OEM dealer.

Ordering Cummins Extended Coverage is easy. Your local Cummins distributor or dealer can handle it for you when you buy your new X15- or ISX12-powered truck, and include it in your financing, or you can buy it separately later on for up to 18 months after your engine purchase*.

If you experience a service need during the coverage period, call Cummins Care toll-free at 1-800-CUMMINS™ (1-800-286-6467). Our Cummins Care representatives are standing by, every hour of every day, and they will check with nearby authorized Cummins distributors and dealers to locate a facility with an available technician and the right diagnostic tools to handle your equipment repair. Your Cummins representative will help get you to the nearest available location – with 3,500 authorized locations, there's sure to be one close by.

Simply show the servicing distributor/dealer your Extended Coverage certificate, and he or she will handle all the necessary paperwork and repairs to get you back on the road as quickly as possible.

*After 12 months, a small administrative fee may be applied.
